THE ONLY REMEDY :- HART'S VEGETABLE EX-TRACT is an invaluable remedy for Epileptic Fits or Falling Sickness, Convolsions, Spasms, &c. It is well known that from time immemorial, physicians have pronounced Epileptic fits incurable. It has baffled all their skill, and the boasted power of all medicine, and consequently thousands have suffered through a miserable exis- January tence, and at last vielded up their lives on the altar of insanity. Physicians of every age have pronounced this disease incurable. The proprietors of the vegetable extract, however, feel no delicacy in preclaring the t it can be cured. They would, therefore, respectfully invite physicians, and all others who are interested, to examine the testimony which is here offered. If it is deception, let it be exposed; but February: if it is true, then in the name of humanity, no longer let it be said that

Hart's Vegetable Extract, For sixteen years, has been tested by many persons who have suffered with this dreadful disease, and in every case where it has had a fair March: trial, has effected a permanent cure Cot. June: that he a persevering use of Dr. Hart's Vegetable Extract for a few months, has restored him to sound health, being entirely free from that worst of all diseases. It will Cure!

The child of William C. Anderson, North Fourth street, Williams-burgh, aged 20 months, had fits constantly for eight weeks. A consultation of physicians was called, who decided that the case was a hopeless one, and that the child must die. Whist the child was in this dangerous state, Mr. Anderson called at my office, which was in the month of February last, and obtained a bottle of the extract with August: the accompanying medicines, and administered it to the child, and the result was a perfect restoration of health, which has continued to the present time. The son of Robert McGee, corner of Sullivan and Prince streets,

New York, was severely afflicted with epileptic fits. In this case also, the physicians held a consultation, and decided that they could do no more, and that nature must effect its own cure, or the boy must die. The vegetable extract was administered to him whilst in a fit, and I was to'd by one of the attending physicians, as well as by Mr. McGee himself, that its effects were almost instantaneous. The fit was bro- October: 1 2 3 4 5 6 7 6 18 5 42 First Qr. 5 8 23 M ken and the boy restored to health. Mr. McGee says, "I shall never again be without the medicine in my house if I can avoid it, for fear that some of the rest of my children may be attacked in the same way. I consider the medicine invaluable, Testimony upon Testimony.

In reference to the almost miraculous efficacy of this truly wonderful medicine, read the follow letter from Doctor W. L. Monroe, of Guilford, Ohio, one of the most eminent physicians in that place. Guilfono, Onto, August 17th, 1846. Brother laborer in the cause of Humanity : Dear Sir-It is with no small degree of pleasure that I am enabled

to announce to you the complete fraumph of your invaluable medicine in cases of Epilepsy. I have prescribed it in four instances in this vicinity, and it has been successful in all. Three of the patients, I trust, have been radically cured. The fourth is rapidly improving, and will, I think, without doubt recover. I am not in the habit of prescribing or recommending patent medicines, but when I see an article which promises so much for the relief of suffering humanity, I feel it my duty Arrivals and Departures of the Mails. to recommend it; and I have no hesitation in saying, that as soon as Eastern-Arrives daily, at 8 A.
